Mark your Calendars!
(April 25th - 26th)

We have rented Camp Victory, located in Cartwright, OK on Lake Texoma. This camp is well equipped to accommodate the needs of the workshop.

There are nice dorm style cabins to sleep in and RV hookups on site. There are also several hotels nearby if you prefer to stay off site.

All meals will be provided and will include a dinner Thursday evening, breakfast, lunch and dinner Friday and also a breakfast Saturday morning before departure.

Some of the Benefits of Attending the Workshop

There are several great aspects of the workshop. **First**, there is the great benefit of warm fellowship with fellow Christian brothers. **Second**, you get the benefit of 5 top-notch meals and plenty of snacks and drinks to keep you energized while studying. The **third** benefit is getting away from the everyday rigmarole and recharging your spiritual batteries at a beautiful wooded location overlooking Lake Texoma.

Is that all you get? NO! You get the benefit of brother Guy taking you on a deep-sea voyage through a book of the New Testament. You also get his 75 to 100-page commentary that he wrote to go along with the workshop. These notes include a thorough introduction, an exegetical section, application section and a sermon seeds section. And if all that is not enough, you will also have ample time to ask Guy any questions that you might have regarding his studies in the word. You might be thinking to yourself that there is no way you can afford to attend such an extravagant workshop. Don't worry, the cost is only \$50, which does not cover all the expenses, but we want to offer this deeper study of God's word to everyone. To offset some of the cost of the workshop, we sell notebooks from past and current years and of course we certainly accept all donations. Please post this flyer in your foyer and get a group of men from your congregation to attend.
